To whom it may concern

Dear Sir/Madam

RE: Grange Refurbishment – Company Reference

I have been requested to provide a reference for the above company in relation to a potential project that they have been shortlisted for.

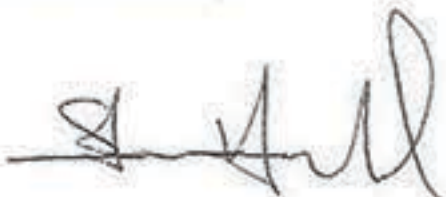

I have personally worked with Grange Refurbishment for 20 years on a number of projects ranging from straightforward roofing repairs to full external refurbishment projects, some of which have been prestigious properties. Some of the projects include;

Kensington Court Mansions, Kensington	Re-roofing works.
The Limes, Notting Hill	External repair and redecoration and replacement windows.
Hillcrest, Ladbroke Grove	External repair and redecorations.
Mall Chambers, Kensington	Roof repairs and external repair and redecoration.

I have always found the quality of workmanship of a very high standard and the team are professional and courteous. Working in multi tenanted buildings can be difficult at times but Graham and his team have always keep everyone informed so any potential issues are dealt with before they happen.

I would have no hesitation in recommending Grange Refurbishment for any projects that you may be considering employing their services on.

Yours faithfully

**Steve Høgevold BSc(Hons) MRICS
Managing Director**
